RETIRING FARMINGTON PRESIDENT TO ADDRESS GOULD ALUMNI

Dr. Ermo Scott, retiring president of Farmington State College, will be the speaker at the annual luncheon of the Gould Alumni Association at 12:30 p. m. Saturday.

The business meeting of the alumni will be held at Hanscom Hall at 11 a. m. Following the luncheon the Gould varsity-alumni basketball game will be held at Bethel Field at 3 p. m.

Also on the schedule for that day, the commencement ball will be held in the Bingham Gymnasium at 8 p. m.

BADC WORKS WITH LOWELL ON SITE LOCATION

At the request of the Bethel Board of Appeals the Bethel Area Development Corp. is working actively with Frank Lowell in locating a site in Bethel which will meet his needs for the expansion of his lumber and building supply business on Summer Street. As pointed out by the Board in its letter to the BADC, the town needs an industrial park where railroad and other facilities are available. It cannot wait for the comprehensive plans now being developed for Bethel by the James W. Sewall Company of Old Town under a Government and State subsidy. Gordon Newton is president of the BADC and Edmond Vachon is chairman of the Industrial Committee.

The decision of the Board in affirming the action of the Building Inspector on Mr. Lowell's appeals was based on the opinion expressed at the hearing that a lumber yard or building supply business would be detrimental to the neighborhood as well as a fire hazard. The Board also indicated that it felt changes in area from one classification to another as required would go beyond the authority of the Board as outlined in paragraph 5 of Section VIII of the Town Ordinances.

STRANGE OBJECT FOUND IN EAST BETHEL

LeRoy Barker, Central Maine Power Company employee, Bethel, was called to East Bethel early Wednesday morning to investigate and repair a power failure in that area. The live wire was broken and still burning near the home of Charles Smith. Attempts to pull up the wire brought up a "cherry red" object, 16 inches in diameter.

Mr. Barker said the line snapped from the result of unusual pressure and with no evidence other than the strange object to have caused it. The object has been removed for examination.

Many viewed it at the Robert Hastings farm Wednesday. It is in the form of a circle of molten material. The line carries 7,200 volts in that location and Mr. Barker doubted the voltage was sufficient to have melted the object.

Mr. and Mrs. Rodney Ramey will attend the graduation of their daughter, Lorraine, from Burdett College, this week end.

Mr. and Mrs. Ralph Ryder were in Augusta Wednesday and Thursday where Mr. Ryder attended a Curriculum Supervisors' meeting at Holiday Inn.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The gravel has been applied to the parking lots at the Fire Station. The highway crew also stockpiled some loam. Members of the fire department spread the loam on the banks and they rolled and rolled the steep banks. The parking areas will be tarred when the town streets and roads are tarred.

The highway tarring should start next week but there is a possibility that will be delayed a few days. The town will tar driveways again this year. You must sign up to have the work before Tuesday June 14, 1966. Persons who have asked to have the work done must sign a work authorization permit.

The town highway crew has been replacing some surface drain pipe on Main Street. The large volume of water from the thunder storms the first of the week caused a large cave-in. When repairs were attempted, it was found that the existing pipe was in very poor condition. It was apparent that other failures would develop in a short while so part of the line is being replaced.

Tax lien notices were mailed last week to 70 real estate owners in Bethel. The notice is intended to give the taxpayer an opportunity to pay the tax before a tax lien is put on the property. If the tax is not paid, a lien must be put on the property. The time limit for the lien action is at least ten days but less than 20 days from the date of the notice.

The State Highway Commission is receiving proposals for the highway project and Andersons Bridge until June 15, 1966. I believe that the contract will be awarded shortly after the bids are opened. The highway commission has sent a copy of the final design of the road and bridge project. The plans are on file at the town office and any interested person may see them.

SCHOOL DIRECTORS NAME HIGH SCHOOL PRINCIPAL AT MONDAY MEETING

Paul N. Ellis, of Orleans, Mass., was named principal of the future SAD 44 junior-senior high school, at a meeting of the district directors held at Locke Mills Monday evening.

Mr. Ellis, presently principal of Nauset Regional High School in Orleans, is a native of Rangely. A graduate of the University of Maine, with a B. S. degree in 1939 and a master's degree in education in 1939, he is now enrolled in a doctoral program at Boston University.

Prior to his Orleans position, he had been a teacher-coach at Hamilton High School, in 1950, returning there as principal 1954-55, after serving in the U. S. Army in 1952-54. He was principal of Freeport High School, 1956-57; Winthrop High School, 1957-64; and at the Massachusetts school since that time.

In his new position, awaiting the opening of the new school, presumably in September, 1967, his duties, commencing Sept. 1, will include several preparatory activities.

Other appointments made to date by the district were reviewed and nominations approved as follows:

At Ethel Bishop School, Bethel Mrs. Ruth Lant to be teacher of one Grade 2 class. She is presently teaching at Hamilton Mass., is a graduate of Morse High School, Bethel and Colby College.

Mrs. Barbara Jean Bennett, of Mexico, to teach commercial subjects at Andover High School. She is a graduate of Mexico High School and Nazarene College.

Also at Andover High School, Mrs. Churchill, a graduate of Bowdoin College has been appointed to teach science and math. He is now an instructor at Bethel at Bethel University, Texas and has previously taught in the School of Aviation Medicine, Alabama and at Springfield, Mass.

Mrs. Marjorie McGuire a graduate of Gordon State College who has taught in primary grades at Mexico will teach elementary at Andover.

Mrs. Thelma Hamilton will be a graduate of Colby College, now teaching at North Andover will teach the kindergarten through grade 3 room at West Bethel.

The position of principal at Westbrook High School has not yet been filled and three other vacancies remain at that school. French-English general math and social studies.

Among those working at Camp Greenwood, Lake Umbagog in Canada this summer who are leaving Friday are Stephen Trind and John Young. Charles Jackson, Paul Pierce, Judy Glover, David Hutchins and Dennis Har-

TWENTY COMPLETE DRIVER IMPROVEMENT COURSE

Last night at the Bethel fire station certificates were awarded to twenty participants in a Driver Improvement Course. The course, presented in four two-hour classes, was given locally for members of the fire department and Forest Service employees. Another session will be held in the near future for the general public. The course, prepared by the National Safety Council and presented in Maine by the Maine Highway Safety Committee, is endorsed wholeheartedly by Oxford County Sheriff Lester Horton as a way of decreasing highway deaths.

Those graduating are as follows:

GREATER BETHEL CHAMBER HEARS TALK ON ESTATE PLANNING, TUESDAY

Members of the Greater Bethel Chamber of Commerce were privileged to hear a detailed explanation of the use of Trusts for Estate Planning at their June evening. Theodore H. Ware, a vice president, State Trust Officers of Canada Bank and Trust Co., Portland was the speaker at the Hotel Sudbury meeting presided by a 029 speaker.

During the business meeting of the Chamber it was announced that an information booth will be maintained at the Chamber of Commerce. The office in the Bethel branch of W. J. Wheeler and Co. Main St. Mrs. Natalie Timberlake announced that the first of a series of get acquainted parties with NTL personnel will be held next Wednesday at the home of Mrs. Bruce Bailey. On behalf of the local Scout troop, Correll Valentine asked if any would be interested in contributing to enable additional Scouts to attend camp this summer who would otherwise be unable to do so.

The Greater Bethel Chamber of Commerce will not hold any meetings during the summer. The next meeting is scheduled for Tuesday Oct. 4.

262 AWARDED DEGREES AT G. S. C. CEREMONIES
A total of 262 degrees were awarded Sunday evening at commencement exercises at Gorham State College. Bachelor of science degrees were awarded 224 seniors and 38 graduate students received master of science degrees in education.

Over 2,500 attended the ceremonies in Hill Gymnasium and heard Dr. T. M. Slinnett, Washington, D. C., assistant executive secretary for professional development and welfare of the National Education Association, deliver the graduation address.

Degree candidates were presented by Dr. Robert M. York, dean of academic affairs. Degrees were conferred by President T. H. Brooks.

The invocation was given by the Rev. Francis McGillicuddy, St. Mary's Church, Westbrook; and the benediction by the Rev. Samuel G. Henderson, Jr., St. Peter's Church, Portland.

Student marshals for the procession were Frank Hall, South Paris, and Chandler Beare of Auburn. The college concert band was directed by Dr. Jerry Bowdler of the music faculty.

A buffet for graduates and their immediate families preceded the evening ceremonies.

On Sunday afternoon, the graduating class heard Rabbi Samuel Umen, Manchester, N. H., describe men of progress as "heroic geniuses." They speak out when others are silent and "dare to do what others are afraid to dare and do," he said.

The Rabbi spoke at Baccalaureate Services in Hill Gymnasium. He described the lives of men he classified as "heroic geniuses" men such as Moses and Gandhi, Schweitzer and Pope John XXIII.

"Perhaps the heroic genius that will be remembered the best is the late Pope John XXIII," the Rabbi continued. "He received not only an interest in religion but he moved fences which separated men from his brother men and spanned a bridge to link their hearts and hands for the building of God's kingdom on earth."

"As you graduates go out," Rabbi Umen said, "you are called upon to think of yourselves as heroic geniuses."

"There are those," the Rabbi concluded, "that feel we no longer possess the heroism of the past. We must have faith," he said, "that our way will ultimately be recognized by all as the best and only way. Let us together teach and live our way until it becomes the way of all men."

The baccalaureate prayer was led by the Rev. Robert Francis Crockett, Street Methodist Church, Gorham. The singing of the hymn "The Scripture Reading" was by Dr. Francis Bowdler, president-elect of the college and the benediction by the Rev. Roy B. Chamberlain, First Parish Congregational Church, Gorham.
